### Chairman's Report

"That the Cottage Hospital be closed to patients on the 31st December, 1934, in expectation that the New Hospital will be ready to be opened early in March, 1935."

Two years have passed since that eventful resolution was recorded. This period has seen the birth of the Board of Management and its various Committees to take over the new building in the name of the Machynlleth, Corris and District Hospital.

PRESIDENT.—The first act of the Board of Management was to elect Mrs. Bonsall president of the new organisation. The lead given by our President to render to the new, as much as had formerly been given to the old, was immediately followed by all those who had given years of service to the Londonderry Cottage Hospital.

Committees.—The meetings of the House and Finance Committees have been well attended, and the many problems consequent upon the inauguration of a new organisation have been tackled as they arose. The House Committee has been strengthened by the inclusion of all the medical practitioners in the Hospital Area.

Machynlletii District Nursing Association.—An increase in the Staff of the Hospital in 1936 made it impossible to continue to provide accommodation for the Machynlleth District Nurse. The Machynlleth Nursing Association accordingly made other arrangements and is now an entirely distinct organisation.

Secretary.—Mrs. Powell amply fulfilled her promise to continue to act as Hon. Secretary until the new organisation was established. On her retirement last year, the members of the Board of Management presented Mrs. Powell with a Silver Tea Service as a token of appreciation for 10 years of exacting service which she had given to both Hospitals. Mr. E. H. Davies was appointed Secretary in April, 1936, and has thrown himself into the work with zeal and efficiency.

CHARITY COMMISSIONERS.—The approval of the Charity Commissioners had to be obtained for the sale of the London-derry Cottage Hospital. Their sanction is also required to the method of division of the Endowment Funds of the old

organisation. Major Burdon Evans kindly acted as arbitrator to decide the appropriation of these funds between the Hospital and the District Nursing Association. The Commissioners have suggested that they should adopt an order under which the continuity of the Hospital would be legally ensured. The suggestion of the Commission has been agreed to in principle, but correspondence is still taking place to decide the many districts involved. The preparation of such an order would be carried out by the Commissioners, who advise us that no expense in this connection would fall on the Hospital.

L.O.O.

### House Committee's Report

In accordance with powers granted by the Board of Management, an additional member has been co-opted in the person of Mrs. Hughes, Llanbrynmair, to increase the representation from the Rural Area. We also now have the medical men of the district on our Committee, whose assistance and co-operation we deeply appreciate and gratefully acknowledge.

Staff.—We regret the resignation of Dr. Deiniol Roberts as Honorary Anaesthetist, who deserved and received our sincere thanks for his most efficient services. The medical men have undertaken henceforth to make their own arrangements. A second fully trained nurse, Miss Enid Williams, who has also taken her C.M.B., has been added to the staff, and took up duties in August. Probationer Nurse Griffiths, after giving good service for two years, left in March to take up general training in a London Hospital. The vacancy has been filled by Miss Betty Roberts, of Dolwyddelan.

LAUNDRY.—Owing to the very limited accommodation for laundry work, quotations were invited and received from the laundries of the district, and that from Aberystwyth has been accepted for twelve months, with the approval of the Finance Committee.

THE THEATRE.—We are deeply indebted to Mrs. Lewis Morris for having conceived the happy idea of commemorating her 101st birthday by making a special gift to the Hospital. This has taken the form of a G.E.C. Shadowless Lamp, so that the Theatre Lighting is now all that can be

desired. The ventilation, however, is still unsatisfactory, and so we have sought the expert advice of Mr. Ernest Griffiths, M.I.Mech.E., of Liverpool, a well-known Hospital Consultant Engineer, who has visited the Hospital, and from whom we are now awaiting a full report, together with the submission of alternative schemes for bringing about the desired improvement.

Valuable additions have been made to our equipment by the purchase of a Radiant Heat Cradle, a Dressing Trolley, "Nuswift" Fire Extinguishers, &c.

Wireless Installation.—We are very grateful to the promoters of the "News Chronicle" Wireless for Hospitals Fund in conjunction with the Radio Manufacturers' Association, for generously installing a complete Wireless Equipment, which is greatly appreciated by patients and staff.

THE GROUNDS.—A special Sub-Committee has under consideration schemes for the general lay-out of the grounds.

Superannuation Scheme.—At our request the Finance Committee is considering the possibility of forming a Superannuation Scheme for the Staff.

GIFTS.—The many friends of the Hospital have been very kind throughout the year, and their gifts and contributions in kind have been deeply appreciated and duly acknowledged in the local Press. We also desire very gratefully to acknowledge the continued kindness of those in charge of the local King Edward VII Hospital in stoving articles for us.

Death.—Our Hospital has sustained a very serious loss through the death of Mrs. Owen Owen, who took such a genuine personal interest in its welfare, and was one of its most generous supporters. A mounted Bronze Tablet with white inlaid cream enamel inscription, "In grateful remembrance of Mrs. Owen Owen, who opened the Maternity Wards, on Wednesday, April 24th, 1935," has been fixed near the entrance to the Maternity Section, and was unveiled by our President on May 3rd, 1937.

It is a pleasure to report that patients continue bearing high testimony to the kindness and efficiency of the Matron and Nurses. In conclusion, we tender to the Honorary Medical Staff, the Matron and Nurses, our warmest thanks for their invaluable services during the year.
